

# Girl Scouts Louisiana East Green Team

Be a part of the council's Green Team! We are looking for enthusiastic troops/groups, individual girls and adults who don't mind stepping into the spotlight or working behind the scene to help our council grow. You or your troop/group may find themselves on the radio or in front of the camera! You might find yourselves participating in the next photo shoot for one of the council's upcoming publications! Maybe you can represent our council by performing a flag ceremony at a local event or giving a presentation at public events! We also are in need of volunteers to help behind the scenes in the office or preparing supplies for events. If you are willing to help, there is an opportunity for you to help!

Usually, there is not much notice for these opportunities. We often need troops/groups, individuals girls or adults from a specific location quickly. Please *check* which of the following activities in which you or your troop/daughter would like to participate. Depending on the need, you or your troop may or may not be called. We appreciate your interest in "standing by for service." For more information contact Kevin Shipp at kshipp@gsl.org or (504) 733-8220, ext. 2243.

Registration is for:     Troop/Group             Individual Girl             Adult
